

client::client

```
graph LR; A[client::client] --> B[engine::EntityFactory::registerBuildComponentRoute]
```

The diagram illustrates a function call. On the left, a white rectangular box with a black border contains the text 'client::client'. A blue arrow points from the right side of this box to a larger, gray rectangular box on the right. This gray box contains the text 'engine::EntityFactory' on the top line and '::registerBuildComponentRoute' on the bottom line.

engine::EntityFactory  
::registerBuildComponentRoute
