

server/include/IDeserializer.hpp

```
graph TD; A[server/include/IDeserializer.hpp] --> B[cstdint]; A --> C[string]; A --> D[vector];
```

The diagram illustrates the dependencies of the header file `server/include/IDeserializer.hpp`. Three blue arrows originate from the bottom edge of the top box and point to the top edge of three separate boxes below it. The boxes are labeled `cstdint`, `string`, and `vector` from left to right.

`cstdint`

`string`

`vector`
