

grw::window::window

```
graph LR; A[grw::window::window] --> B[engine_math::bitFlag::getFlag]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a dark gray color and contains the text 'grw::window::window'. The right box is white with a black border and contains the text 'engine_math::bitFlag' on the top line and '::getFlag' on the bottom line.

engine_math::bitFlag
::getFlag
